

WORKFLOW 5-SLOT CHARGER BLACK

5-iPhone charging station

REF : UA-WF0000054040

EAN : 0840283919497

EXISTE EN : NEGRO

DESCRIPCIÓN :

Charge and manage your Workflow cases with ease. The 5-slot charger provides a reliable, professional solution to simultaneously recharge up to 5 devices, with gold-plated contacts for a durable connection and LED indicators to monitor charging status at a glance. Designed for demanding environments and tested according to medical-grade quality protocols.

PUNTOS FUERTES :

- Multi-device solution: simultaneously charges 5 Workflow cases for iPhone.
- Durable connections: gold-plated charging contacts for increased conductivity and longevity.
- On-site security: T-slot (T-type) for physical locking.
- Simple visual monitoring: LED indicators (green = ready/charged, amber = charging).
- Hygiene and compliance: tested 168 hours according to medical standards; compatible with common disinfectants.
- Professional design: sleek black casing, brown cardboard packaging, suitable for enterprise deployments.
