### **DESCRIPCIÓN :**

Textured matte protective case specially designed for MacBook, providing reliable protection against shocks, light drops, and everyday scratches. Easy to install, it is ideal for daily use and travel thanks to its slim design. Additionally, the rubber feet on the bottom keep your MacBook exactly where you place it, preventing it from sliding on smooth surfaces.

### **PUNTOS FUERTES :**

- Funda mate texturizada para proteger el MacBook
- Los pies de goma evitan que el MacBook se deslice
- La parte inferior mejora la disipación del calor
- Acceso fácil a los puertos y botones
