CY-TEKVIEWAIRPODS3

Case for AirPods (3rd gen)

REF : CY-TEKVIEWAIRPODS3

EXISTE EN : racine

DESCRIPCIÓN :

Stylishly protect your AirPods (3rd generation) with a protective case that combines a hard-shell interior, to protect from scratches and dints, and a beautiful slip-resistant fabric exterior that keeps them from slipping out of your hands. The minimalist design retains the compact nature of your AirPods (3rd generation), and allows you to charge them without having to remove the protective case.

PUNTOS FUERTES :

- Easy port access
The protective case has been designed so that you have easy access to the charging port for when you need to charge your AirPods (3rd generation) with a Lightning cable.
- Stylish protection
A hard-shell interior gives you superior impact absorption, while the stylish fabric exterior incorporates a durable and textured grip.
- Wireless friendly
Designed to be compatible with wireless charging so you can wirelessly charge without having to remove the protective case.
