

SELFIES 3-IN-1 LENS IPHONE 5/5S BLACK

3-in-1 lens for selfies for iPhone 5/5S

REF : OL-IPH5L1BKSBK1

EAN : 817311011560

EXISTS IN : BLACK

DESCRIPTION :

Express your selfie. Snap a selfie or capture your world in fisheye, wide-angle or macro. The wearable #Selfie 3-in-1 Photo Lens is cleverly designed to work seamlessly with both the front and rear-facing camera of your mobile device. Not seeing the shot you want? Just flip it over to switch between fisheye and wide angle. Or unscrew the wide-angle and use the macro lens for that ultimate close up.

STRENGTHS :

- Works on both the FRONT and REAR-facing cameras
- Patented design clips on and off device in seconds with no extra parts needed
- Share it and wear it with 3 colorful pendants
- Works with all your favorite photo and video apps and in panorama mode
