DESCRIPCIÓN :

Distinctive, urban and contemporary design featuring waterproof coated canvas

On Thin Air

Exclusive design for MacBook Air, LE reporter Air 13 features a unique "enveloppe" shape for a messenger bag, so you can enjoy the amazing lightness and thin shape of your MacBook Air even while carrying it around with essentials.

From Air to MacBook 13

The computer pocket of LE reporter Air 13 can accommodate a MacBook Air or even a MacBook 13 without problem thanks to its folded computer sides.

Folded by default, secured with a strip of velcro on each side, the computer pocket stays flat, can accommodate a MacBook Air without getting in your way and reducing the available volume of the main pocket.
