LIBERTY DUAL FABRIC

16-coil wireless charger

REF : ZE-ZEDC08B-00

EAN : 7438222410483

EXISTE EN : NEGRO

DESCRIPCIÓN :

The Zens Liberty is where ultimate freedom meets wireless charging. The 16 overlapping charging coils of the Liberty provide freedom of placement. With its maximized active charging area, it makes wireless charging ever more convenient and truly effortless.

Most wireless chargers have just one coil in the center of each charging area. This small 'sweet spot' requires accurate positioning with the risk of waking up to a phone with an almost empty battery. The Liberty solves this problem with its maximized active charging area, making wireless charging ever more convenient and truly effortless.

Liberty Wireless Charger: Kvadrat fabric surface

The Liberty has a surface of high-quality woolen upholstery textile Atlas by Kvadrat (90% wool). With Atlas, created by Danish designer Margrethe Odgaard, the colors are expressed, patternlike, through the structure of the material. As a result, the textile offers exceptional intensity and intricate details and gives the Liberty a warm, superior look by adding exclusive color to the original design.

Perfect match

Use the Liberty to its full potential by combining it with the Apple Watch USB-stick and recharge your Apple Watch in sleep mode.

PUNTOS FUERTES :

- High quality Kvadrat fabric surface with exceptional color intensity
- 16 charging coils for freedom of placement
- Wirelessly charges two devices simultaneously
- 30W output (2x15W) with Apple and Samsung Fast Charge
