Textured everyday carry, made better for the Earth with plantbased materials. In an extension of our partnership with Coronet, we've crafted a smooth and cross-grained blend of their Yatay™ material for your favorite tunes. Beautiful design.

Why have we created (Re)Classic Case for AirPods Pro?

The newest addition to our assortment of AirPods carry brings planet-positive protection to your music essential. Following from our latest range of cases, we're continuing to incorporate Coronet's Yatay™ material into our everyday solutions, adding character to your device while minimizing our impact on the environment with plant-based sources that use less energy to produce. Enjoy the hits, the classics, now wrapped in (Re)Classic.
