MAGSAFE MAGARM GREY STAND

Portable Phone Mount

REF : ST-935-325Y-01

EAN : 0742186993997

EXISTE EN : GRIS

DESCRIPCIÓN :

Working with multiple devices is a lot easier when they sit next to each other, and that's where the MagArm really carries the load. The MagArm is a MagSafe-enabled phone mount that easily attaches to the back of your laptop screen, placing your phone in the same viewing angle as your laptop. The swivel hinge provides the perfect viewing angle, keeping your phone up and out of the way of your busy desktop, even allowing you to charge your phone while suspended above the clutter.

PUNTOS FUERTES :

- MagSafe compatible, it easily attaches to the back of your laptop screen.
- 360° rotation & tilt.
- MagArm also allows you to attach a MagSafe charger in its central ring to charge your iPhone while working.

CARACTERÍSTICAS :

- Apple MagSafe compatible magnetic smartphone holder
- Attaches to the back of your laptop screen
- Quickly attaches and removes with a suction cup system: position MagArm on the back of your computer screen and turn the attachment wheel
- Magnetic mount compatible with Apple MagSafe
- 360° adjustable rotation and tilt to position your iPhone screen in a suitable viewing angle
- Center ring for attaching an Apple MagSafe charger (charger not included): charge your iPhone while you work

COMPATIBILIDAD :
