EXISTE EN : NEGRO

DESCRIPCIÓN :

The Plasma Series case is meticulously designed for professionals who rely on their tablets, whether in the field or at the office. Featuring a rugged armored shell and impact-resistant rubber bumpers, it provides superior protection against drops and shocks, ensuring your tablet can withstand even the toughest workdays. The integrated 360-degree rotating hand strap offers unmatched freedom and security on the go, giving you a firm grip in any orientation. A sturdy built-in stand transforms your tablet into a laptop-like workstation with ease—perfect for presentations or media viewing. The dedicated stylus holder keeps your Apple Pencil secure and within reach. More than just protection for your tablet, it's a premium all-in-one solution built for durability, mobility, and convenience.
