DECODED

ANTIMICROBIAL SILICONE MAGSAFE CASE FOR IPHONE 16E BLACK

MagSafe Case for iPhone 16e

REF : DE-D25IPOSEBCS9CL

EAN : 8721145005980

EXISTE EN : NEGRO, AZUL, ROSA

DESCRIPCIÓN :

Protect your iPhone in style with the DECODED Silicone Back Cover. Crafted from high-performance liquid antimicrobial silicone, this case offers a silky soft-touch finish and a comfortable grip. The raised bezel shields your screen from bumps, while the advanced interior structure absorbs impacts for secure protection. Compatible with MagSafe and wireless charging, it features built-in magnets for perfect alignment and seamless accessory use. The dual-layer anodized metal camera ring with hand-engraved Decoded branding, along with matching metal volume buttons, adds both refinement and enhanced functionality.
